She loved the Lord and was faithful to the Church, Sunday School, Bible Study and the choir until the time of her death.

She attended and graduated from Autauga County High School as a proud member of the class of 1975.

Priscilla, standing only 4ft 10 inches was a giant in commitment and determination. She was not easily intimidated. She never allowed her petite frame to limit her. Priscilla lived alone, worked and went about doing as she saw fit.

Priscilla's career included 30 plus years of employment with the Autauga County Public School System, where she retired May 8, 2018. She was beginning to enjoy her new found freedom. Priscilla was an accomplished seamstress making and designing many of her clothes early in life as well as those of family members. She was famous for her legendary Punch Bowl Cake, which was sure to make an appearance at all

family, church and work gatherings.

Priscilla's hobbies and interest included shopping, crossword puzzles, watching her favorite TV shows, spending time with family, traveling and more shopping. She loved fashion and selecting the perfect outfit for her petite frame and don't forget that just right pair of 5 to 6 inches heels to complete the look.

Priscilla was loving of her family. She was committed, dedicated, determined and courageous individual. If she said she was going to do it, it was done. She encouraged her nieces, nephews, cousins and others to explore new things and was the first to celebrate their accomplishments. Though she had no children of her own she leaves a rich legacy to those she loved and served.
